Local Politicians Visit Oakdale

Senator Arlen Specter, Congressman Tim Murphy and Congressman Jason Altmire recently visited Oakdale. A meeting was held at the Oakdale Community Center to discuss plans for the PX at the Charles Kelly Army Base. It appears that if the Kelly PX is closed a new and modern facility will be built in the area to replace it. Although nothing is final at this time, news will be updated as it becomes available.

Happy Birthday Wishes

Former Mayor June Austin is turning 107 on July 16th. If you would like to send former Mayor Austin a birthday wish, please mail it to:

Sewer Problems

Rain water is going into our sanitary sewer system, being treated by Alcosan and paid for by our citizens.

Borough Council had all down spouts and roof water of the dwellings checked in the Borough and have found violations. Another major problem is downspouts emptying into a cistern then released into the sewer system when the cistern is full. If you have such a system contact the Borough immediately so this costly problem can be corrected.

With everyone cooperating we can cut the cost of sewage treatment or at least maintain the same cost when Alcosan raises rates.

4th of July Parade & Pet Show

This year, the annual Oakdale 4th of July Parade will be sponsored by The ROCK. The decorated bike competition will be broken up into age categories: 0-6 years, 7-12 years, and 13 and above. Both bike and pet parade participants can begin registering and lining up at 9:45AM next to Willow Creek Crossing. The parade will start at 10AM, with refreshments available immediately afterward.

West Hills Symphonic Band

The West Hills Symphonic Band will be performing Thursday, July 26th, at 7PM downtown. Clem Rolin is the Associate Conductor of the 30 piece orchestra. Clem, as many of you know, is the former director of "The Little Green Machine", South Fayette High School's famous Marching Band. Clem wants to bring the orchestra home to Oakdale. Complimentary tickets are enclosed. Let's pack the parking lot and give a HUGE Oakdale welcome to Clem Rolin at this Special Performance!

Police & Fire News

Bingo: The Oakdale Hose Company Bingo will resume in the fall.

CERT: The past few months have been very busy for the Community Emergency Response Team (CERT) team. Members of the team received training at the Oakdale Fire Department, along with the fireman with a ICS 700 class. The training consisted of dealing with many different types of emergencies.

The team members personally purchased walkie-talkies in order to have instant communications during the start of any emergency, including setting up an emergency shelter in the area. This will be a very valuable and useful tool.

Members also attended training with the Department of Homeland Security, Threat and Risk Assessment Course. Team members are also receiving training in the ICS 300 and the ICS 400 course, which teaches all aspects in setting up command structures, and the handling of all emergencies. This training is being done through the Homeland Security Department, and is critical in handling all emergencies that could arise, and to be able to do the best we can to prevent further loss of property or life.

If anyone is interested in becoming a member of the team, contact Bob Kolesky (724) 321-5429. New members are needed and welcomed. Information about the team is available at the Borough Office or from other members.

Thank You: The Oakdale Borough Council would like to thank a Veteran who served in Iraq for the Flag that was from a forward operating base there. The Veteran requests to remain anonymous and wanted the flag to fly in Oakdale. The Flag will be raised on the Borough Building on the 4th of July.
