

# Santa Claus is Coming to Town!

You Better Watch Out.....and you better not cry! It is that time of year again, Santa's arrival from Oakdale Hose Company Fire Truck! This year's Light-Up night will be on Friday, November 27th at 7:00pm at the gazebo. We would like everyone to join in caroling and help decorate the Christmas tree. Cookies and hot chocolate will be served at The Rock following Santa's arrival. Ornaments will be made for the Christmas tree at the Rock throughout the month of November. This year's sponsors are The Rock, Oakdale Borough and Oakdale Hose Company.

**Message From Fire Chief Trusnovic:** Fall also signals the start of BINGO! The Oakdale Hose Company will begin hosting BINGO on Saturday, November 7th, 2009 with the doors opening at 5PM. We look forward to seeing you there!

**Message From Police Chief Lauria:** If you have driven in town, you will see that a number of our roads have been resurfaced. With resurfacing comes not only pothole free driving but also people tend to go a bit faster than usual. Union Avenue is one of the roads that we are focusing on to try to slow down drivers. You will see that we have put “tracking” and “timing” lines on the roadway. Next, you will see the electronic speed warning sign. Lastly, you see a police car timing speed and issuing speeding citations. Please adhere to the posted speed limit and stop signs...they are there for a reason.

Plan to attend a community meeting with the Allegheny County Sanitary Authority (ALCOSAN) to learn about sewage overflows and give input about the wet weather planning efforts. The meeting starts at 7PM with children’s activities, refreshments, and a brief presentation at 7:30PM. The meeting will be held in the Oakdale Community Center on Tuesday, November 17th.
