"Integrity, Respect and Professional Excellence"

Chief's Welcome Page

Welcome to the Oakdale Borough Police Department website. We're very proud of our organization, the services and programs we offer to the residents of Oakdale, and the men and women of the organization who serve the community.

The Department has a proven record of providing superior services to the community by blending professionalism and compassion. The Department's "Mission" is to work collaboratively to enhance the quality of life through community partnerships in Oakdale. This mission is served by "Value" and "Vision" statements which the organization developed through a collaborative effort with the community. It's the Mission, Values and Vision statements that guide the Department in its daily activities. I would encourage you to view each of these statements to gain a better understanding of the core from which the Department functions.

The Oakdale Police Department has 15 sworn officers. It is our hope that the information will give you a sense of who we are and trust that it clearly communicates the commitment that we have to our community.
