

NEW GARBAGE AND RECYCLING PROGRAM FOR OAKDALE

➔ **Beginning Monday, December 7, 2009**

Oakdale Borough will start a new program to collect your garbage and recyclables the week of December 7, 2009.

All borough garbage will now be picked up on Monday, starting at 6:00am.

The borough will now collect all recyclables at your curb on Tuesday. This will eliminate the use of the recycling dumpster at the borough office.

Recyclables should be placed in cardboard boxes or plastic containers. **Please do not place your recyclables in plastic garbage bags.** "Oakdale Borough Recycling" stickers will be available at the borough office if you wish to label your containers.

As we begin this new program, there may be some bumps. If we don't get your garbage collected on Monday, we'll get it early Tuesday morning. We hope that everyone will participate and help this new, expanded recycling program succeed. Below is a list of all of the items you can now recycle.

Accepted Recycling Materials:

- Paper Products
Copier paper, books, catalogs, telephone books, magazines, newspapers, shredded paper, mail inserts, envelopes, color paper, boxes no longer need to be broken down
- All Plastic Materials
- Metal
Aluminum containers – typically used for beverages and food
- Glass is now included also

NOTE: There is no need to separate items; all you need to do is make sure that all containers are empty and free of waste and the original contents.

Unacceptable Materials

Styrofoam, Food Wrappers, Food Waste, Paper Towels, Paper Plates, Bathroom Trash, Square Cardboard Juice or Square Cardboard Milk Containers.

Thanks in advance for your patience while we work out the kinks of this program.
