

## MS4 – Stormwater Solutions

Do you know what Stormwater run-off is? Do you know what “best practices are”? Do you know how to save money on water and help maintain your property using stormwater?

The Borough is going to present an MS4 – Stormwater Event in September to educate residents on this information where they will also have the opportunity to make a household rain barrel.

Saturday, September 10th

10:00am at the Community Center

**Registration is Required.** Email [kaine@oakdaleborough.com](mailto:kaine@oakdaleborough.com) : with your name, address, phone number and how many in your party will be attending.
