No Annual East Egg Hunt

Unfortunately, The Rock will not be hosting its annual East Egg Hunt. With new construction in the area, they do not have a place to safely hold the hunt. Council would like to THANK The Rock for all the time, efforts, and joy they brought to the community with this event. It will truly be missed. A huge shout out to Kara and Patti for all you do!!

Looking to Upgrade Oakdale Park

You may have noticed the Oakdale Park playground equipment is currently not available for use. The equipment is old and not safe for play. Council is currently looking into grants to fund a much-needed upgrade to the park. We are looking into new playground equipment, updating the basketball court, new swings, and more. Please be understanding and patient as we work on this process, as it does take time to apply for government money. We are also researching other funding options.

Council asks that you respect the signage and refrain from any use on the marked equipment.

Please obey all construction signage including speed signs, stop signs and pedestrian crossings. We ask that you slow down especially on your very own community streets. The speed limit within the Borough roadways is 15mph. We also ask that you adhere to the updated parking ordinances. Children play in our streets, ride bicycles and residents walk their pets. Please respect each and your community by enforcing our laws and ordinances. We can all work together to make our Hometown a safer place.
