School's Back In Session

It's that time of year already. School is back in session. Please be aware of buses and children. The Borough asks that you obey all traffic signs and speed limits.

Please give yourself plenty of extra time to get to work or appointments in the mornings. Plan for bus stops and on-going construction in the Borough. Slow down for our children's sake!

Yard Waste Pick Up

Beginning July 31st, grass clippings will no longer be picked up by our Dept. of Public Works. You must bag your clippings in a black trash bag and put out with your garbage to be hauled away by County Hauling. The only yard waste Public Works will be collecting are branches, Christmas trees and twigs. Twigs and branches must be bundled and weigh no more than 40 lbs.

Please make sure to put your grass clippings in a regular trash bag and have them out with your trash for pick up.
