

Council Meeting Minutes Summary

The meeting was called to order. A public hearing was held for conditional use zoning for property at 1 Willow Avenue. The minutes from the January meeting were approved as well as the Treasurer's report. The following motions were made and carried:

- Motion to adopt Resolution 7-2024 approving the Volunteer Firefighters Tax Credit Eligibility List for 2023.
- Motion to approve execution of proposed site access agreement, contingent upon approval of solicitor, manager, and engineer.
- Motion to advertise Ordinance 2024-2 amending the borough's parking ordinance.
- Motion to adopt Resolution 6-2024 granting conditional use to Thomas Bianco and David Wahl. Subject to satisfaction of the outlined conditions.
- Motion to approve the Navickas Lot Consolidation.
- Motion to amend the agenda.
- Motion to authorize a bid package for blighted properties on Whittengale Avenue.

Motion to adjourn meeting to Executive Session.

**Next meeting at the community center,
Thursday, March 7th:**

Agenda Meeting: 6pm
Regular Public Meeting: 7pm

Earth Day

Earth Day will be held on Saturday, April 20th in the Borough. Please meet at the Community Center at 9am. Work will cease between 12pm and 1pm.. Please dress appropriately, bring gloves and small tools if you have any. A light lunch will be provided. We are looking forward to a prosperous workday to help beautify our community. The borough appreciates any time and help given by volunteers.

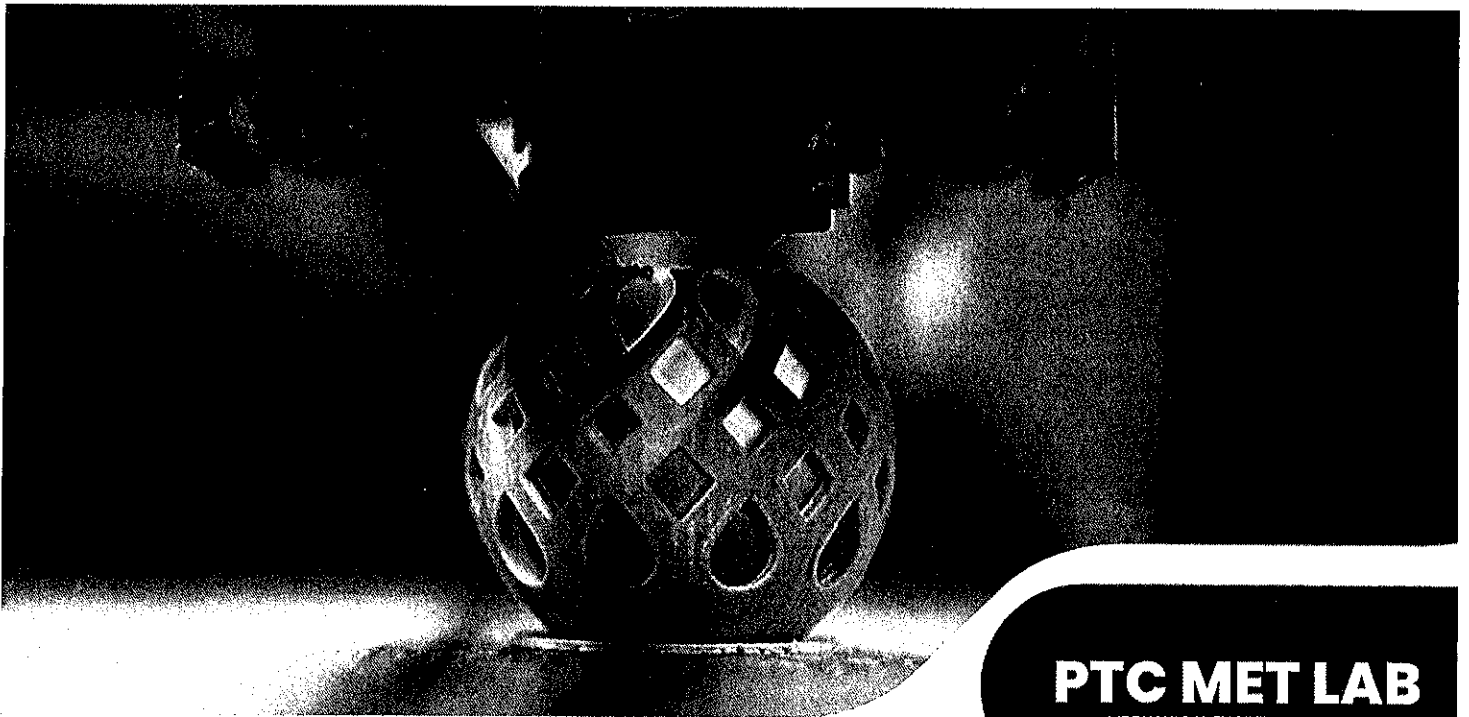

Lenten Fish Frys

Check out local churches, fire departments and restaurants for Lenten Fish Specials. They can be found online, in the West Allegheny magazine, social media, or spread the word with a friend to find a great place for seafood.

Office Closures

The office will be closed, Friday, March 29th. Please utilize the drop box for communications and bill pay.

PTC MET LAB

MECHANICAL ENGINEERING TECHNOLOGY

FDM/SLA 3D PRINTING

Our prototyping lab includes over 10 different machines from top brands like Bambu Labs, Prusa, and Ultimaker. We have the ability to do FDM and SLA printing with a maximum print volume of 330mm x 250mm x 300mm and 127mm x 80mm x 150mm respectively.

CNC CUTTING

Our fabrication lab is also equipped with a Modela MDX-50 CNC machine. This machine is capable of cutting wooden material as large as 400mm x 305mm x 100mm. Rotary tooling is available as well.

LASER ENGRAVING

Our fabrication lab is equipped with a Epilog Legend Helix 24 Carbon Dioxide Laser. It is capable of cutting up to .125" plywood and engraving surface details on almost any material. The maximum engraving area available is 23.5" x 17" and the machine can fit material up to 8" thick.

LAB HOURS

Mon-Thur - 9:00am - 4:30pm
Fri - 9:00am - 2:00pm
Sat-Sun - Closed

SIGN-UP FORM

Do you have a specific project in mind? Well, we can help. Follow the link or scan the QR code above to get started and make your project a reality. Contact us for more details.

Students

All PTC students are welcome to work in our Lab. Come use our tools for your next class project to set yourself apart.

Staff

Our Lab is open to all PTC staff for personal or classroom projects. Let us know how we can help you!

Community

The community is welcome during normal operating hours. Use the sign-up form or contact us for more details.
