ELECTRONICS* RECYCLING EVENT: FINDLAY TOWNSHIP MARCH 19th

Due to recent changes to many eCycle Programs, it is becoming very difficult for Residents to dispose of TVs. Television Sets will not be picked up as Curbside Recycling, Best Buy no longer accepts TVs in Pennsylvania, and South Fayette Township has discontinued its Program, effective January 1st.

On Saturday, March 19th from 10:00am until 2:00pm, Findlay Township will host a *Computer and Appliance Recycling Event at the Municipal Building (1727 Route 30, Clinton), and everyone is welcome to participate! **ONE TELEVISION SET PER VEHICLE (any size) WILL BE ACCEPTED!** No Items may be left at the Municipal Building prior to the Event. Additional Details may be found at <http://pa-findlaytownship.civicplus.com>.

CLEAN UP THIS SPRING at MOORE'S HARDWARE!!!

One Local Winner will rake in \$1,000 worth of Merchandise!

Moore's Hardware (5100 Noblestown Rd) will accept Entries through May 31, 2016, for a \$1,000 Shopping Giveaway.

Ted Stipanovich says that the Giveaway should create plenty of excitement among Moore's Hardware Customers. "One of the best things about the Drawing is that our Customers have an opportunity to make a Wish List and get the items they really want to use in their Home Improvement or Garden Project. And for one of our Neighborhood Customers, that Wish List will come true! We're looking forward to making this happen."

Full Details about the \$1,000 Giveaway are available at Moore's Hardware. The Giveaway will be promoted through Store Advertising, and Entries will be accepted exclusively at Moore's Hardware Store. There is a limit of one entry per household per day. One Winner will be chosen from each participating Store.

TEMPORARY CHANGE IN WATER TREATMENT PROCESS

As part of our distribution system (pipeline) maintenance program, Pennsylvania American Water will temporarily change its disinfection treatment process at our Pittsburgh water treatment plants from chloramine (combined) residual to free chlorine residual. Weather permitting the change will take place between March 14, 2016 and April 18, 2016. During this time period, PAW also will be flushing the distribution system. Customers may notice an increase in the taste and smell of chlorine in the water as a result of the change. Discolored water may also occur during flushing in your neighborhood. This is normal and will only be temporary while we complete this system maintenance. Thank you for your patience while we complete this important annual maintenance program.

Please visit us online at www.amwater.com/paaw for updates (select Alert Notifications at the top of the homepage) and for information on when we will transition the treatment process back to chloramines. Customers can also contact our Customer Service Center at 1-800-565-7292.
